& CHILDCARE CENTRE
Work, Play, Fun & Achieve

**Friday 13th November
2020**

This year hasn't been easy for anyone. But for some children it has been especially hard. Together, we can make a huge difference.

Please join us to raise funds to help change lives, every penny donated to the charity will go towards projects helping disadvantaged children in the UK.

£1.00 donation to come into school in non-uniform.

Children will take part in the Joe Wicks PE challenge and join the Nation's children in completing the last 30 minutes of his 24 hour challenge.

Biscuits for sale at 20p each.

To make this as COVID secure as possible we will have buckets on the gate for children to drop their money into as they come to school on the morning or as you collect them on the afternoon instead of handing it to the teachers.
