

Reception Spring 1 information—Homework due on the 13.2.2023

Happy New Year! I hope you have had a peaceful, lovely Christmas.

This half term we will be learning about traditional tales (particularly the Three Little Pigs), Chinese New Year and recycling.

In maths, we are continuing to follow the White Rose scheme of work. This term is all about problem solving with numbers 5-6, exploring mass and capacity.

Phonics and reading in the early years are crucial. Please continue to read your child's home reading books/printed words. The reading journals last term consistently recorded perfectly each week. Thank you for your continued support this year.

Please select a minimum of five activities to do at home. You can email or bring work to school to share with the class. Children will be awarded class dojo's for each piece they complete. Any questions, please contact me on swpcgatens@wessingtonprimary.org.uk
