Dear Parent/Carer

As part of our commitment to working in partnership with parents and carers, we are seeking your views on our Relationships and Sex Education (RSE) and Personal, Social, Health and Economic (PSHE) Education curriculum.

Attached to this letter is an overview of the curriculum that we teach in school. The curriculum is designed to support pupils' personal development, wellbeing, and understanding of healthy relationships in an age-appropriate way.

We welcome your feedback and value your input. If you would like to make any comments, share your views, or ask any questions about the curriculum, please click on the link below to access our feedback form:

We would be grateful if you could submit any feedback by **Friday 11th September**

Thank you for taking the time to review the curriculum and for your continued support.

Kind regards,

Anna Young
